## Dear Alumnus,

It's humbling to think about all that God has done through the graduates of West Coast Baptist College in these past twenty-five years. Since WCBC opened its doors in the fall of 1995, the Lord has allowed our family of alumni to grow to over 2,600 (nearly 2700) servants of Christ. I praise the Lord for each of you and am so grateful for the difference you are making for Christ around the world. Thank you for your faithfulness to the gospel, love for souls, and commitment to standing for truth.

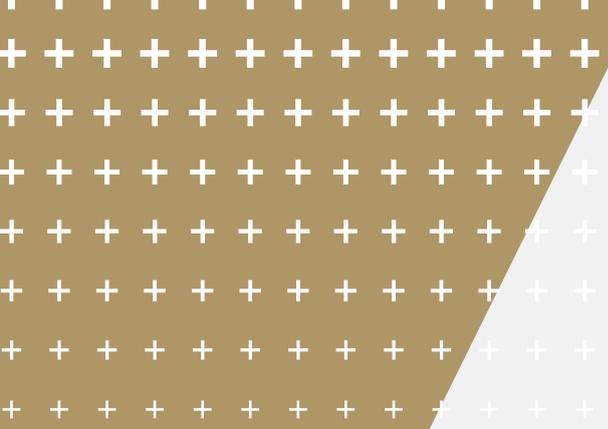

Sometimes I jokingly say that starting the college was the dumbest decision I've ever made because of the magnified administration, challenges, and even financial load it has been for me and our church. While there may be a little truth to that statement humanly-speaking, the reality is that when I look at our graduates and the way God is using you, I just feel grateful to have a part.

In this twenty-fifth anniversary edition of the alumni newsletter, you'll read a few highlights from several alumni as well as of some of the current developments here on campus. I pray all of these are an encouragement to you. But especially, I want you to know that you are an encouragement to me!

Thank you for your faithfulness to the Lord and to His harvest. If I can be a help to you in any way, please do not hesitate to reach out.

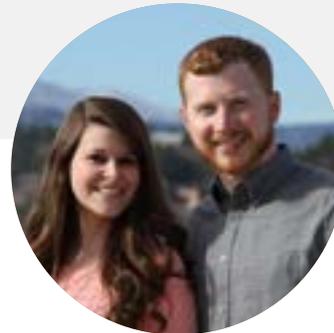

Your Friend,  
Dr. Paul Chappell

*“So then faith cometh by hearing, and hearing by the word of God.”—Romans 10:17*

After graduating from WCBC in 2015, Alicia and I married and began serving on staff in Lancaster. Four years later, we are on deputation. I really enjoyed the opportunity to teach at WCBC for a couple of years, but we knew God ultimately wanted us on the foreign field. In 2017 we moved to Colorado to continue to train and grow at Hope Baptist Church in Loveland under the founding pastor Edward Barclay. Under our pastor’s leadership, I was given frequent opportunities to teach, preach, and learn. He demonstrated the importance of discipleship beyond just a course and into a mentoring relationship.

Along the way, Pastor Barclay and our current pastor, Dan

Outler kept missions in front of us and counseled us as we discerned God’s will. As a result of a trip to India, I connected with WorldView Ministries. They were praying towards starting a translation project for an unreached people group in Iran. As many who knew us in college may remember, my burden has long been for Muslims in the Middle East. Through Missionary Prayer Band in college and language studies in seminary, my heart was also being pulled toward Bible translation work. God connected our burden for Muslims and desire for pioneer translation work in a partnership with WorldView we are calling the Persia Project. Our goal is to see God glorified through churches being planted in the Middle East; a large part of reaching our goal will be translating Scripture for the unreached. Because of the current difficulties in accessing Iran, our ministry will start out across Iran’s northern

border in the much more accessible country of Armenia. Because of our goals, we still request privacy in our ministry for security reasons and request our last name not be publicized in reference to our work in the Middle East. As with anyone in ministry, we desire your prayers. There is much on the road ahead that requires God to work, but God has already shown Himself faithful. 🙏

*“Some lessons enjoyable, some not-so-comfortable, but all showing us the height and depth of Christ’s love.”*

When I was called to ministry when I was a teenager, I could have never imagined where God would place and use me. Now, I find myself ministering at Hillcrest Baptist Church in the “Sun City,” El Paso, TX, with a beautiful wife and two wonderful children. I look back and often consider what has brought me to this place, and truly, I can see nothing more than the grace of God. Every step of the way, God’s grace has been sufficient for what we have needed.

One of those steps was the Music Master’s program I had the privilege to complete. Not only did I learn more about music, but I believe my understanding of ministry grew immensely. This came directly from observing the

spirit of our professors. I pray I can leave the same impression for the Lord at Hillcrest.

Hillcrest was started in 1956 and is still on the same path it was back then: leading people to be more like Christ. I love watching people come in contact with the Word and seeing it make a difference in their lives. One of the many things I have learned over these past eight years here in El Paso is that no matter how much ministry I “do” or how hard I work, it is still the Word and power of God that changes people’s lives.

This has never been clearer to me than it was in the lives of a young family, Joey and Miki Osborne. While in from out of town, my dad invited him to church when they met at our neighborhood park. They began coming, and immediately I could tell that Joey was searching for something. We began to spend time together, and it was not long until he

realized what he needed was Jesus, and he got saved. About six months later, his wife, formerly Catholic, recognized her same need. Now their family serves faithfully at Hillcrest every week!

On this path, God continues to bring us closer to Him, and teach us things we could have never imagined. Some lessons enjoyable, some not-so-comfortable, but all showing us the height and depth of Christ’s love. We truly could not ask for more. 🙌

Growing up watching my parents teach, I developed a passion for teaching. When I was in middle school, God placed China on my heart, and I knew at that moment I would live in China one day. When God lead me to West Coast he used Brother Peter Mordh (2007) and Brother Rick Houk to continue growing my passion for China. As a sophomore, I was put in touch with Dominic Tascarella, the founder of a school in Lijiang, China, who was looking for teachers. Three months after college graduation I arrived in China!

Lijiang, a small city in the southern part of the Yunnan Province, is know for clean air, Snow Mountain, and the historic Old Town district. According to the 2010 census, Lijiang has a population of 1,244,769. Over the past seven

years, the school has been growing in this quaint town. While working here, I have had the opportunity to teach third grade, middle school speech class, kindergarten, and direct several school productions. Each year the school has added classes to the program and seen an increase in enrollment. Since the class sizes are so small, we have been able to influence and have a greater relationship with these students inside school and out. As teachers, we have been limited in outside evangelism as our school is going through the licensing procedures, but we have been able to use not only the A Beka curriculum, but also American holidays as ways to evangelize with the children. We have seen some children saved and Bibles brought into these homes as a result of our school.

We have been blessed with a principal with a vision to grow the school. In order for our school to move forward, we must switch licenses from a training center to a private school license. The license will ensure that students get the approval stamp needed for their schooling. This switch means a lot of the curriculum and timing will

have to change for the future. We are also looking at starting a boarding house facility near campus for middle and high school students. The boarding house project is something I have been able to direct and try to get started. As we are considering all these changes for the growth of our school, we would appreciate your prayers. Please help us pray for finances to get two vehicles specifically for boarding, and as we are looking for housing that would work well. Please help pray for our next government education meeting in March 2020, for more teachers that would be interested in short term and long term work in China, and for the approval of the work visas the teachers need. “...for to morrow the LORD will do wonders among you.”  
—Joshua 3:5

When I was in high school I wanted to marry someone who wanted to be a youth pastor. I greatly admired my youth pastor and his wife (and I don't think I'm just biased because she was my sister), and I grew closer to the Lord due in large part because of them. I saw the importance of good influence during those life-changing teen years.

I met Doug (2010) my junior year of college and we were married in 2009. The Lord brought us to Front Range Baptist Church in 2010, just 9 months after we were married. Doug has been the youth pastor for almost 10 years now. I love to serve alongside him as his partner in life and

My husband was able to officiate the wedding of one of our youth group girls, Maddie Smith. She married Derek Whitman in June 2019.

ministry.

Joshua 3:5 says “...for to morrow the LORD will do wonders among you.” Two years ago our church celebrated its 40th Anniversary and our theme for the year was Wonders Among You taken from this verse. It's been on my heart and mind since. We have seen God truly do wonders among us here at Front Range. Recently, we went through a time of hard transition when God moved our pastor away. But God is always and only good. We have seen God move in our church since He has brought our new pastor to lead our church.

Youth ministry is full of ups and downs. It's always discouraging seeing kids fall away from living the truths of the Bible, and it's easy to focus on those that do. But what about the “wonders among us”? Often times I forget about those teens that surrender their lives to serve God and are doing just that! My husband is always very quick to remind me of those that have given their lives to

God for His glory.

We see God's wonders when we have teens surrender to full time ministry, or go to Bible college, or marry godly spouses, or just choose to do whatever God wants them to do with their lives.

We have three children, Taylor (7), Jackson (2), and Lance (8m.). With changes of life phases come different ministry phases. Right now, my job is to raise my children, and we put that above my involvement in ministry. We love our kids to see and be a part of our ministry here at Front Range, but I'm not as involved as I was when we had no children. I am learning to balance being a wife, mom, and youth pastor's wife to best impact eternity. We look forward to many more years serving God and seeing the wonders He does among us! 🌾

## IN THE FACE OF TOUGH ISSUES

### WHEN GOD ASKS YOU TO DO THE HARD THING

In the ministry, there are many unexpected twists and turns. Sometimes our breath can literally be taken away by something that comes into our lives and we scramble to respond.

Jesus handled these moments perfectly. I love studying the life and ministry of Jesus Christ! In Luke's Gospel, he takes us to Gethsemane. It was the custom of Jesus Christ to go to this quiet garden just across the Kidron Valley at the foot of Olivet.

We read in Luke 22:41-43, "And he was withdrawn from them about a stone's cast, and knelt down, and prayed, Saying, Father, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done. And there appeared an angel unto him from heaven, strengthening him."

I noticed first of all that Jesus handled this heavy situation by praying. We read in verse 41 that He prayed. We need to pray for our hearts to be ready to receive whatever God has in store for us.

We can do more than prayer, but we can do nothing until we pray! The Bible says in Philippians 4:6, "Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God." And in James 5:16, "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much."

I love the challenge in 1 Samuel 12:23 pertaining to prayer, "Moreover as for me, God forbid that I should sin against the Lord in ceasing to pray for you: but I will teach you the good and the right way:"

C. Peter Wagner, an authority on church growth said, "The more deeply I dig beneath the surface of the church growth principles, the more thoroughly convinced I become that the real battle is a spiritual battle and that our principal weapon is prayer."

While meditating on Jesus' response to this incredibly difficult task, I was amazed at Jesus' surrender. We read in Luke that Jesus said, "Nevertheless not my will, but thine, be done."

The cup in Luke chapter six summarized the awful ordeal Christ faced. It referred to His coming death at Calvary. Not so much the

physical suffering but the fact that our sin would be placed upon Him. We see this in 2 Corinthians 5:21, "For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him." And in Isaiah 53:6, "All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all."

My sin put upon Christ was repulsive and awful. The holiness of Christ made our iniquity extremely horrible to experience.

Most painfully, Jesus was to be left by God. As our substitute, Christ experienced our punishment which was not just separation of soul from the body (physical death), but also separation of the soul from God. Matthew 27:46 says, "And about the ninth hour Jesus cried with a loud voice, saying, Eli, Eli, lama sabachthani? that is to say, My God, my God, why hast thou forsaken me?"

The contemplation of this was extremely upsetting for Christ... but He surrendered!

We must be surrendered. We are challenged in Romans 12:1-2, "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God."

**“What? know ye not that your body is the temple of the Holy Ghost which is in you...”**

Again in 1 Corinthians 6:19-20 we see, “What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God’s.”

Are you fully surrendered? To God? To God’s will for your life? To the authorities He has placed in your life? To the low times that He wills for you to experience and grow through? The Bible says in Hebrews 13:17, “Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that is unprofitable for you.”

We see in Jesus’ preparation that He also humbled Himself. We read in Luke 6 that He knelt down.

Kneeling reflected His humble attitude before God the Father. Other Gospels indicate this as well, Matthew 26:39, “And he went a little farther, and fell on his face, and prayed, saying, O my

Father, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt.” And in Mark 14:35, “And he went forward a little, and fell on the ground, and prayed that, if it were possible, the hour might pass from him.”

Pride is a destructive force. The Bible says in Proverbs 13:10, “Only by pride cometh contention: but with the well advised is wisdom.”

C.S. Lewis said, “Pride is a spiritual cancer: it eats up the very possibility of love, or contentment, or even common sense.”

I like the saying, “When pride walks on the platform, God walks off.”

We are never more like Satan than when we are prideful.

The Bible is full of warnings concerning pride. Proverbs 16:18, “Pride goeth before destruction, and an haughty spirit before a fall.” Proverbs 18:12, “Before destruction the heart of man is haughty, and before honour is humility.” Proverbs 29:23, “A man’s pride shall bring him low: but honour shall uphold the humble in spirit.”

A deacon, who was full of himself, was teaching a boys Sunday School class. He was working hard to stress the importance of living the Christian life. With an air of arrogance he asked, “Why do people call me a Christian?”

After an awkward silence one of the little boys said, “Maybe it’s because they don’t know you.”

The remedy for the pride in our hearts is humility. 1 Peter 5:6 says, “Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time:” Proverbs 27:2 goes on,

“Let another man praise thee, and not thine own mouth; a stranger, and not thine own lips.”

James 4:6 reminds us, “But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble.”

We see in Luke chapter six that Jesus ultimately obeyed the Father. Christ obediently followed the will of His Father. It is good to ask ourselves, am I prepared to do the will of the Father when He asks me to do the hard thing?

Philippians 2:8 tells us about Jesus, “And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.” And in Hebrews 5:7-8, “Who in the days of his flesh, when he had offered up prayers and supplications with strong crying and tears unto him that was able to save him from death, and was heard in that he feared; Though he were a Son, yet learned he obedience by the things which he suffered;”

We must obey the authorities God has placed in our lives and follow them as they follow Christ.

John 14:15 states plainly, “If ye love me, keep my commandments.” And in Psalm 119:60, “I made haste, and delayed not to keep thy commandments.”

**“If ye love me, keep my commandments.”**

We see that as a result of the Lord's preparation and His prayer, surrender, humility, and obedience that He received help. Christ needed this heavenly strengthening. In Mark's Gospel we see that His pain during His prayer was, "And saith unto them, My soul is exceeding sorrowful unto death: tarry ye here, and watch." (Mark 14:34)

Luke is also the only writer to mention the ministry of the angel. In fact, both the Gospel of Luke and the Book of Acts give angels a prominent place in the work of the Lord.

Angels could not come to die for our sins, but they could strengthen our Savior as He courageously accepted the cup from His Father's hand.

Dr. George Morrison said, "Every life has its Gethsemane, and every Gethsemane has its angel."

What an encouragement to God's people when they wrestle and pray about difficult moments and costly decisions! We can look to God and He will see us through. Psalm 46:1 reminds us, "God is our refuge and strength, a very present help in trouble!"

# WHY SHOULD YOU USE SCREENS TO COMMUNICATE?

this free PDF to read the entire article

Screen graphics can be incredibly useful to illustrate statistics and key statements, keep the congregation focused on the current point that your pastor is preaching, and display additional information to help your church members visualize locations or relationships such as a map of Paul’s journeys or a photograph of the Mount of Olives.

However, many slide presentations fail to take advantage of some key aspects of graphic design that could help take their communicative value to the next level and keep distractions to a minimum. In this article, we will help you discover some of these and how you can help your pastor or school teachers effectively communicate visually to the audience.

## JOSHUA CAMPS

Joshua Camps, at its core, is a week of detaching from the world, attaching to God, and then developing the gifts God has given you to then reach the world. From learning how to better shoot a basketball to singing more in tune to learning how to be a servant leader, a week of Joshua Camps develops a Christlikeness in teens I have rarely seen elsewhere. The past five summers I have been a part of Joshua Camps, I have noticed a great zeal for Christ and

a longing for His will encompass the entire campus each camp week. The preaching inspires and challenges, the activities excite and produce teamwork, the counselors motivate and spiritually guide, the food is about as gourmet and delicious as camps get, and most important of all, the Holy Spirit calls and convicts the masses. This past summer of 2019 was no exception. As campers arrived, the campus came to life. Competitions roared, campers trained, basketball was mastered,

musicians were finetuned, volleyball skills developed, media came to life, servant leaders were molded, hearts were grabbed by the call to missions, dramas were born, and worldviews were changed. Under the preaching of Dr. David Gibbs, Pastor Dean Miller, Pastor Tate Thronson, Pastor Scott Gray,

Dr. Jim Schettler, and Bro. Thomas Shepherd, several hundred teens answered the altar call each night, dozens were saved, and scores gave their lives to full-time ministry. To see God work in such a miraculous way is something most never see in a lifetime but happens every year at Joshua Camps.

## WCBC STUDENTS

### WELCOME BACK, STUDENTS

WCBC's twenty-fifth year of training laborers for the harvest got off to a great start. We were delighted to welcome hundreds of first-time students from all around the country into the WCBC community. With classes beginning at 7:30 AM on Wednesday morning, registration had to be completed in just two days, and the faculty and staff came together to provide one of the most efficient and smooth registration weeks that we have ever had. With the food service team providing excellent meals, the activities team organizing plenty of fun, and church members volunteering to serve in a variety of capacities, the overwhelm of queues and deadlines transformed into excitement, anticipation, and lots of life-long memories.

The greatest moments were found in the morning and evening services. In a three-sermon mini-series, Dr. R.B. Ouellette challenged our students, faculty, and staff to begin the academic year by asking the Lord to cleanse, correct, and complete each of us. On Wednesday, President Chappell preached a message entitled, "Until Christ Be Formed in You" after which dozens committed to seeking God's continued working in their hearts and lives. As the week closed, Pastor Dave Delaney encouraged us to magnify Christ in all that we do, because He is worthy.

With opening week now wrapped up, we are excited to see all that God is going to do in our hearts and minds this year. 🙌

Regional Striving Together Conferences, hosted by Dr. R.B. Ouellette and Dr. Paul Chappell, are held throughout the year for the purpose of equipping and training pastors and Christian leaders in the work of the Lord. Leadership training sessions, biblical preaching, and question-and-answer times provide a unique experience for spiritual growth and encouraging fellowship. You don't want to miss these opportunities to strive together with other like-minded men of God! You will leave having been equipped, strengthened, and refreshed for the work of the Lord.
